IEEE International Advance Computing Conference

(IACC '09)

March 6-7, 2009

IEEE International Advance Computing Conference

ज्ञानम् परमम् ध्येयम्

Conference Chair

Dr. Deepak Garg

Conference Secretaries

Mr. Ravinder Kumar

Mr. Karun Verma

Organized by

Thapar University, Patiala

IEEE Delhi Section

and

IEEE Computer Society Chapter Delhi Section

<http://iacc.co.in>

THEMES OF THE CONFERENCE

Track One: Algorithms

- Approximation Algorithms
- Optimization Algorithms
- Randomized Algorithms
- Multi Facility Location and Max Flow Algorithms
- Load Balancing/ Scheduling Algorithms
- Resource Management Algorithms
- Concurrent and Parallel Algorithms
- Fault Tolerant Algorithms
- Bioinformatics Algorithms
- Any other area of Advanced Computing Algorithms

Track Two : Advance Applications

- Mobile Computing
- Compiler Technologies for High Performance Computing
- Advance Micro Architecture Techniques
- Advances in Network Optimization, Security and Routing Techniques
- Nano Computing
- Pervasive/ Ubiquitous or Adaptive Computing
- Extreme Programming
- Any other area related to Advance Computing

Track Three : Databases

- Query Optimization
- Data Mining and Warehousing
- Bioinformatics Databases
- Stream Databases and Filtering
- Distributed Databases
- Knowledge Management
- Temporal Databases
- Any Other area of Databases

Track Four: Software Engineering

- Verification and Validation
- Software Construction
- Testing Techniques
- Process Models
- Software Reuse
- Software Repositories
- Software Metrics
- Software Project Management
- Component/ Aspect Based Software Engineering
- Knowledge Based Software Engineering
- Other Advance topics of Software Engineering

CALL FOR PAPERS

Authors are invited to send one copy of full length paper by email or online submission process at <http://iacc.co.in>. After expert review, the authors may be asked to submit the camera ready copy. All the submissions must be original and follow the IEEE standards. Copyright form must be submitted in hard copy while sending the registration form along with the Bank Draft. Selected Papers are expected to be published in IEEE Xplore Journal.

Paper Format

The body of the manuscript should be type set in double-column, single-space format. For fonts, choose at least 10 point font size, and we suggest to use the Times font family. Set each column width to 3.1 inches with a 0.3 in spacing, and justify the column margins, if possible. The title should be centered across the full page with the first letter of each major word in capital letters. It should be typed in bold face using 14 point font. Use 12 point regular font for author names, and 10 point italics for address information. Section headings should be bold face with the first letter of each major word in capital letters. Number sections consecutively, starting with the Introduction. If sub-sections are needed, number them 1.1, 1.2, etc, and use bold face and smaller fonts (11 point for first level, and 10 point for second-level sub-headings). Figures should be numbered consecutively, and placed within the text; figure captions should be centered below the illustrations. The same applies to tables. Equations should be placed within the text, with equation numbers justified to the right margin. References should be numbered and cited within square brackets [1]. Provide a list of references at the end of the paper. Footnotes should be avoided.

Papers should be submitted electronically first and after acceptance send the camera ready copy electronically as well as hardcopy with IEEE copyright form, registration form and bank draft. Submit your paper in pdf format by sending it as an e-mail attachment to deepakgarg@ieee.org or by online submission process at: <http://iacc.co.in/online-submit.php>

DEADLINES

Full Length Paper Submission due : January 01, 2009
Acceptance and revisions due : January 15, 2009.
Camera Ready paper due : January 30, 2009
Last date for Registration for authors : January 30, 2009
Last date for Registration for delegates : March 04, 2009

Accepted papers will be published in the conference proceedings, only after receiving the registration fee.

REGISTRATION FEE

For Authors (who wish to attend, present and publish their work in the conference)

	Indian (INR)	Foreign (USD)
IEEE members	4000/-	200
Non-members	5000/-	250
Students (IEEE members)	2000/-	100
Students (Non- IEEE)	2500/-	125

Delegates (Who wish to attend the conference only without any paper presentation)- 2000/- INR for Indians and 100 \$ for others.

The registration fee is to be paid through demand draft drawn in favor of IACC'09 payable at Patiala, Punjab, India. Registration fee includes conference kit, copy of the proceedings, meals, refreshments and limited accommodation (when requested and on first come basis).

ACCOMMODATION

Limited and normal accommodation will be available in the University without any charge in the University Hostels. However, Accommodation in hotels may be booked on request, against an advance booking amount. Hotels are located within 2 Kms from the venue and the charges are about INR 1000/- per night. Please plan your travel keeping in view of the conference schedule. You must inform us latest by February 25, 2009 for any advance hotel reservations.

SPONSORSHIPS

This conference will provide a platform to industries/institutions to advertise their products/ services/ technologies. There can be exhibits/ workshops/stalls / Tutorials etc. from the sponsors of the conference. Sponsorship can be provided in the following categories:

Diamond Sponsor INR 2,00,000/-
Six delegates without registration fee + one stall + one exhibition/Tutorial + Advertising In every material of the conference
Gold Sponsor INR 50,000/-
Two delegates without registration fee + one stall /exhibition
Silver Sponsor INR 25,000/-
One delegate without registration fee Other Avenues

ADVERTISEMENT

Conference Souvenir will provide an opportunity for advertisements, for which the rates are as follows:
